

Purrfect Cat Nutrition

Contributed by Trilogy

"A cat's eyes are windows enabling us to see into another world." - Irish Legend

Our cats are special and we are committed to providing our soulful friends with natural foods made with the freshest ingredients, effective nutritional solutions and supplements, treats with a healthy purpose and luxurious pet care products created to beautify and pamper your feline.

Other than treats, your cat eats the same food day in and day out. So the brand of food you feed your cat is important to a long and healthy life.

Life's Abundance Premium Cat Food is made using only fresh, human-quality ingredients. It is a nutrient dense food with high quality meat proteins and NO by-products, corn, wheat, gluten or soy. NO artificial flavors, colors, sugars or chemical preservatives.

Finally, a Wholesome, Nutritious Meal That Merits Two Paws Up From Your Feline!

Life's Abundance® is made using only fresh, human-quality ingredients such as a delectable blend of premium all natural chicken, liver, and turkey with top quality catfish, along with fresh vegetables and grasses that will appeal to even the most discriminating palate. Added to Life's Abundance® is a superior blend of vitamins, minerals, and antioxidants to help contribute to a healthy daily diet. Contains no artificial flavors, colors, sugars, or chemical preservatives.

Instinctive Choice Premium Canned Food is formulated to provide your cat with a meal that is similar in nutrition and moisture to how a feline would feed in the wild. Instinct is king with cats and they will purr over this protein rich food, which contains organic chicken, turkey, chicken liver and shrimp. We also added a little bit of grass, which contains many nutrients that help support a healthy urinary tract. Why should you choose Instinctive Choice for your cat? It's not only what's in Instinctive Choice that makes it the ultimate canned cat food, it's what is not in it. Click on [More Product Info](#) to find out.
